BUY A BED

There are many challenges that children face within orphanages in Ukraine – getting a good night's rest should not be one of them.

It seems obvious that every child deserves a peaceful night's rest. Adequate rest is an important factor in a child's health, learning, and sociability. In addition to the developmental benefits, a child's bed is a private space. Every other area in an orphan's world is a shared space. We hope to replace worn dirty, rickety beds and mattresses pressed thin from decades of use.

WHAT DOES IT COST?

For an approximately \$150 (USD), a bed frame and mattress will be purchased from local manufacturers and delivered to the orphanages in need. These beds are sturdy laminate and will resist chipping and/or peeling. The orthopedic mattresses are thick, firm and include a water resistant mattress cover.

With a comfortable place to sleep, children can feel safe and peaceful throughout the night.

HOW TO DONATE

Together we can make a difference in these children's lives. Join us in this worthy cause by purchasing a bed or two, or three – or simply part of one – every little bit helps. All donations are tax deductible as determined by law.

Please make checks payable to **UCARE Inc.** and mail to:
